SECTION 4: BACKLINK & OFF-PAGE SEO STRATEGY

RULE: Build backlinks pointing to LANDING PAGES first, then blog articles.

Never build links to the homepage alone — target the money pages.

1. Google Business Profile (already claimed — keep updated)
 2. IndiaMart (free listing: "SS pipe supplier Vadodara")
 3. TradeIndia (listing: "stainless steel pipe manufacturer Vadodara")
 4. ExportersIndia (listing: "metal exporter Vadodara Gujarat")
 5. Justdial (listing: "stainless steel supplier Vadodara")
 6. Sulekha (listing: "steel pipe supplier Vadodara")
 7. Yellow Pages India
 8. IndiaMART Distributor tag → point to /ss-pipe-supplier-vadodara
-

1. SteelMint (free company listing)
 2. SteelGuru (news/company directory)
 3. MetalWorld India (company registration)
 4. LohaLive (if available — linked on current site)
 5. ISteel.in
 6. Alibaba (company page → link to site)
 7. ExportHub
 8. Made-in-India
-

STRATEGY: Publish guest articles on industry sites linking back to your guides.

Targets:

- Quora answers: Answer questions like "Who is the best SS pipe supplier in Vadodara?" with genuinely helpful content. Link to your landing page.
- Reddit r/metalworking r/engineering: Share the technical blog guides
- LinkedIn articles: Publish condensed versions of your guides
- Medium: Republish blog articles with canonical pointing to your site
- Industry forums (Eng-Tips, Piping-World): Answer P91/duplex questions

Anchor Text Strategy (for backlinks):

NEVER use the same anchor text for all links. Rotate:

50% — branded: "Creative Metal Industries", "CMI Vadodara"

25% — URL: "creativemetalind.com", "www.creativemetalind.com/ss-pipe..."

15% — partial match: "SS pipe supplier", "duplex steel Vadodara"

10% — generic: "read more", "visit site", "check here"

- Share every new blog article on LinkedIn, Twitter/X, Telegram
 - Post product images on Instagram with hashtags
 - Create YouTube shorts: 30-sec product videos
 - Pin articles on Pinterest (surprisingly effective for B2B)
-

- Google Business Profile: Post weekly updates (new stock, offers)
 - Get Google reviews from customers (target 50+ reviews)
 - Ensure NAP (Name, Address, Phone) is consistent everywhere
 - List on local Gujarat business directories
 - Chamber of Commerce Vadodara listing
 - GIDC industrial directory
-
