

3-MONTH SEO ACTION PLAN

What YOU Need To Do (1 Hour/Day | Rs 0 Budget)

WEEK 1 -- One-Time Setup (Do Once)

Day 1: Google Search Console (30 min)

- Go to search.google.com/search-console -> Add Property -> URL prefix
- Enter <https://www.creativemetalind.com> -> Verify with HTML tag
- Submit [sitemap.xml](#) in Sitemaps section
- Go to analytics.google.com -> Create GA4 property
- Get Measurement ID (G-XXXXXXXXXX) -> Update in `src/app.tsx` -> Deploy
- Go to bing.com/webmasters -> Import from Google Search Console
- This covers Bing + Yahoo + DuckDuckGo indexing
- Go to business.google.com -> Claim "Creative Metal Industries Vadodara"
- Fill: Category (Steel Supplier), Address, Phone, Website, Hours
- Add description (750 chars), upload 20+ photos, add top 10 products
- IndiaMART - update profile, add website URL
- TradeIndia, JustDial, ExportersIndia, IndiaBizList - create free listings
- Create: LinkedIn Company Page + Facebook Business Page + Instagram @creativemetalind
- Post first post on each with website link
- In GSC -> URL Inspection -> Submit top 10 pages for indexing

Day 2

Day 3

Day 4

Day 5

Day 6

Day 7

WEEKS 2-12 -- Daily Routine (1 Hour/Day)

Split your 1 hour into 3 parts every day:

Part 1: Request Indexing (15 min) -- First 3 weeks only

- Open GSC -> URL Inspection -> Paste 5-10 URLs -> Request Indexing
- Week 2: Product/supplier pages (40 pages)
- Week 3: Location pages (50 pages)
- Week 4: Blog/price/chart pages (80 pages)
- After Week 4: Stop -- Google will crawl the rest automatically

Part 2: Get 1 Google Review (15 min) -- Every day

- WhatsApp ONE customer per day asking for a Google review
- TARGET: 30 reviews in 30 days
- Reply to every review within 24 hours

Part 3: Share 1 Link (30 min) -- Rotate daily

- MONDAY: Share price page on 3-4 WhatsApp industry groups
- TUESDAY: Post on LinkedIn (technical tip + blog link)
- WEDNESDAY: Answer question on Quora with your page link
- THURSDAY: Post product/warehouse photo on Instagram/Facebook
- FRIDAY: WhatsApp broadcast useful blog link to customer list
- SATURDAY: Post comparison guide on LinkedIn
- SUNDAY: Rest or catch up

WEEKLY CHECK (Every Saturday, 5 min)

- Open GSC -> Check: Impressions, Clicks, Pages Indexed
- Note which keywords are moving up
- Update price pages at start of each new month (change month name)

WHY

EXPECTED RESULTS

Month 1:

- 400+ pages indexed | 15-20 Google reviews
 - 30+ backlinks from directories + social profiles
 - Start appearing for low-competition keywords
 - Google Business Profile visible in local search
 - Estimated: 50-150 organic visits/day
-
- Most 591 pages indexed | 25-30 reviews (4.5+ star)
 - Page 1 ranking for: Vadodara keywords, GIDC keywords, niche products
 - Blog posts getting traffic (weight charts, price lists)
 - Estimated: 200-500 organic visits/day
-
- All pages indexed | 30-40 reviews
 - Page 1 for 50-100+ keywords
 - Map pack (top 3 local results) for Vadodara searches
 - Real enquiries from website: 5-15 per week
 - Estimated: 500-1500 organic visits/day

DO's and DON'Ts

DO:

- Ask 1 customer for Google review every day
- Share 1 link every day (WhatsApp/LinkedIn/Quora)
- Check GSC once per week (Saturday)
- Update price pages every month
- Reply to every Google review within 24 hours

DON'T:

- Don't use traffic bots (Google will penalize)
- Don't buy backlinks from random sites
- Don't change existing page URLs (breaks indexing)
- Don't delete any pages
- Don't obsess over rankings daily (check weekly)
- Don't spend money -- this plan is 100% free

REMEMBER:

- 591 pages = 20x more than most competitors
- 696 keywords = 696 chances to rank
- Google rewards patience and consistency
- 1 hour/day for 3 months = permanent traffic source
- Each Google review is worth more than 100 fake clicks
