

SECTION 3: Daily Routine - Weeks 2 to 12

(1 Hour/Day)

SPLIT YOUR 1 HOUR INTO 3 PARTS:

+-----+ PART 1: REQUEST INDEXING (15 min) -- First 3 weeks only Open GSC ? URL Inspection ? paste 5-10 URLs ? Request Indexing Do this daily until all important pages are submitted Priority order: Week 2: Product/supplier pages (40 pages) Week 3: Location pages (50 pages) Week 4: Blog price + weight chart pages (80 pages) After week 4: Skip this step (Google will crawl rest on its own) +-----+	
+-----+ PART 2: GET 1 GOOGLE REVIEW (15 min) -- Every single day WhatsApp ONE customer per day: Message template: "Namaskar [Name] ji, Creative Metal Industries mein aapka experience kaisa raha? Agar aap satisfied hain toh ek Google review de dijiye -- hamari bahut help hogi. Link: [your GMB review link]" TARGET: 30 reviews in 30 days WHY: Google Reviews = #1 factor for local ranking (map pack) REPLY to every review within 24 hours (shows active business) +-----+	
+-----+ PART 3: SHARE 1 LINK (30 min) -- Rotate daily MONDAY: Share a price page on 3-4 WhatsApp industry groups Example: "SS 304 pipe price today -- check our latest rates" Link: /blog/ss-304-pipe-price-per-kg TUESDAY: Post on LinkedIn (your profile + company page) Example: Technical tip or product highlight Link: Any blog post WEDNESDAY: Answer a question on Quora Search: "best SS pipe supplier India" or "pipe weight chart" Answer with helpful info + link to your relevant page THURSDAY: Post product photo on Instagram/Facebook Warehouse photo, delivery photo, product close-up Add website link in caption FRIDAY: WhatsApp broadcast to customer list Share a useful blog link (weight chart, guide, price) "New article: How to read Mill Test Certificate" 	

SATURDAY:	Post on LinkedIn	
	Share comparison guide or specification chart	
	These get good engagement from engineers	
SUNDAY:	Rest or catch up on missed days
